**VENTURES**

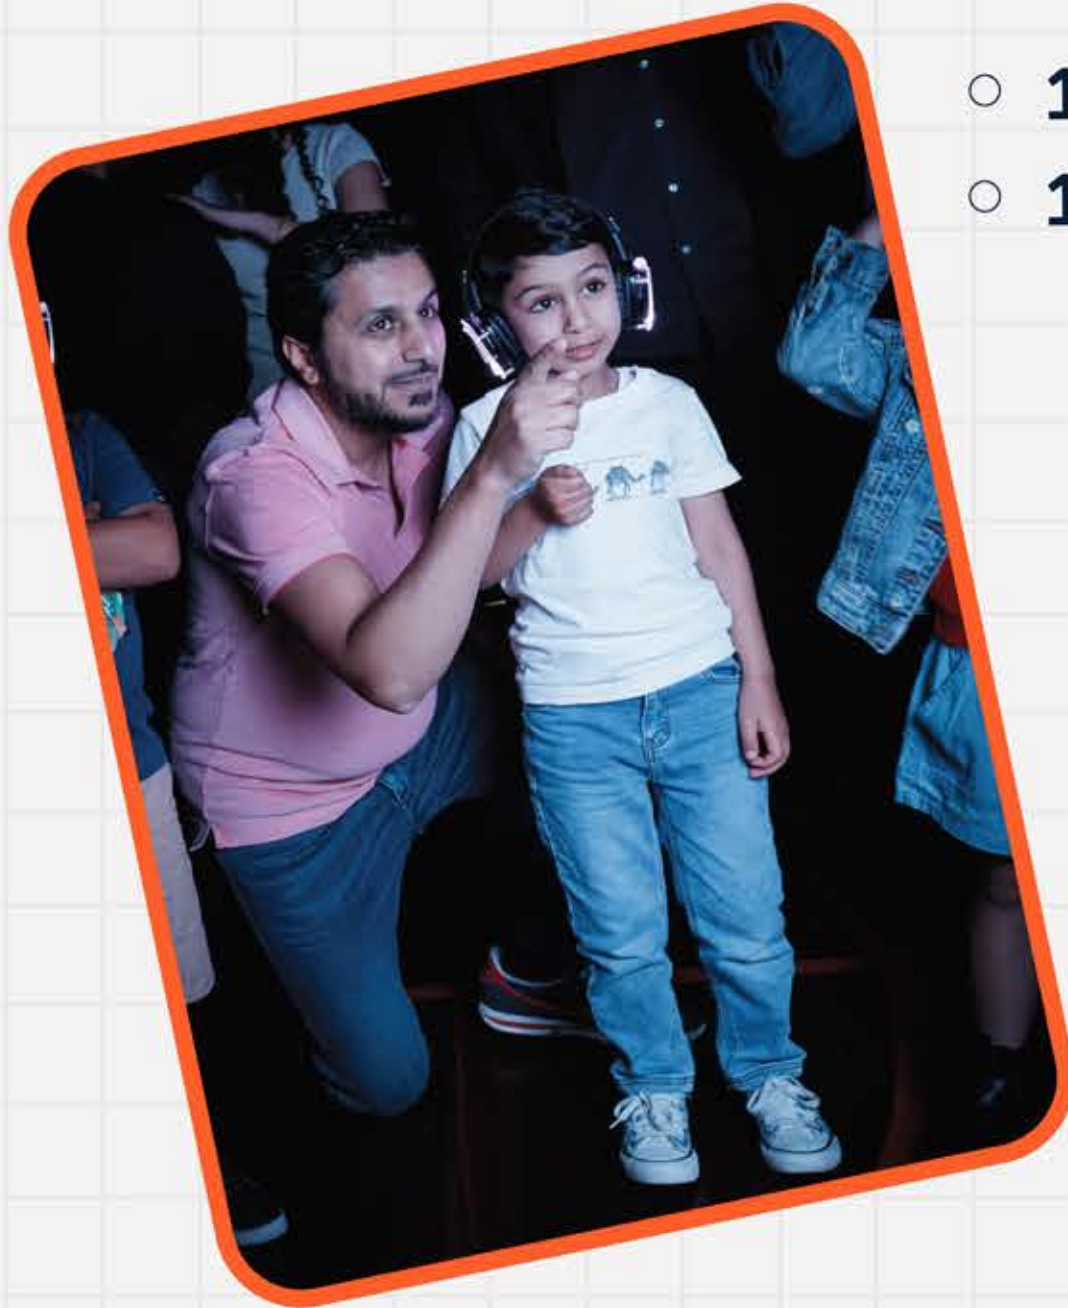

# Introduction

**At GloboVentures, we encourage children to explore, imagine, and learn. Through a creative blend of visual arts, music, drama, storytelling, and technology, we design adventures that nurture critical thinking, empathy, respect, and meaningful connection.**

## **The Challenge**

- **1 in 4 Australian children experience bullying and cyberbullying.**
- **1 in 5 experience racial discrimination.**

**We have a unique opportunity to create safe, inclusive environments where every child feels respected, valued, and supported to thrive.**

## **Our Goal**

**Combatting bullying and discrimination through interactive programs that equip children with cultural understanding, promoting empathy and acceptance.**

## Academic programs

Hands-on incursions that upskill students in personal growth, social-emotional learning, and cultural understanding, through programs that align with the Australian and Victorian school curriculums.

## Annual programs

Celebrating major cultural and global events throughout the year, providing students with the opportunity to explore traditions and practices from around the world. These programs offer children engaging, hands-on experiences that promote inclusion and empathy, and enhance global awareness.

## Holiday programs

Designed for school breaks, we invite children to explore global traditions, art, music, and storytelling in fun, meaningful ways—sparking curiosity, social skills, and respect for diversity.

## Most Loved Programs

## Heroes of Harmony

Celebrate the richness of our world with GloboVentures' Harmony Day interactive adventure! An exciting learning experience where students work together to solve clues, complete challenges, and "unlock" the next stage of their mission. Students' progress through themed stations, each one requiring teamwork, problem-solving, and creative thinking. Designed for primary schools, Harmony Day Adventure turns classrooms into a lively celebration of community, understanding, and respect.

## King of Kings

Bringing the Nativity story to life for children through creative storytelling, teamwork, and reflection, helping them experience the true meaning of Christmas with joy, imagination, and faith.

Through hands-on activities and guided storytelling, children deepen their understanding of God's love and the hopeful message that began in Bethlehem.

# Most Loved Programs

## Storytelling Club

The program encourages children to engage in creative expression and teamwork by guiding them to develop their own stories. This begins with verbal storytelling that incorporates vocabulary aligned with the program's learning goals. Children then bring their stories to life visually, using basic photography techniques introduced through hands-on training and supported by collaborative work within their group.

**Guardians of Goodness**

GloboVentures' interactive theatre experience helps students recognise what bullying is, understand how it affects others, and see why their choices matter. Through dynamic storytelling, music and drama, children learn practical strategies to stand up for themselves, support their peers, and create a kinder school community.
